

## K9 – 2K Race Rules & Recommendations

- Limit of 2 dogs per person.
- Dog must be at least 4 months old to participate. Some vets suggest that dogs younger than one year have not fully developed their bones and joints & racing or over exerting your youngster may cause later issues.
- All dogs must be current on standard vaccinations and be licensed. You must be able to produce proof of these on race day upon request.
- Dogs need to be kept on leash **at all times**
- Leashes are to be no longer than 6 feet (If using an adjustable leash, please adjust to manageable length when in close proximity to other dogs or people)
- The only dogs not allowed at the K9 – 2K are female dogs in any stage of heat
- You are responsible for picking up your dog's dookie. We recommend you exercise or warm-up your dog before the race as you warm up yourself, often this will produce dookie prior to the start of the race. (Plastic dookie bags will be available.)
- No motorized vehicles, bicycles, skate boards or other rolling type of devices allowed.
- Race staff reserves the right to refuse entry or remove a dog from the course if it might prove hazardous to others or whose physical condition appears to be in jeopardy before or during the event.

### Course Map & Directions

Course for the K9 – 2K will be the track around the West Valley City Family Fitness Center. We will start and finish in the same area. Below is a map.
